

Time to Get a Haircut

Today I am going to go to Kari's to get a haircut.

Hi Kari!

I will sit in her chair.

I will wear a cape.

Kari will set the timer.

Kari will spray my hair with water.

She will comb my hair and

cut my hair.

Sometimes Kari will use the clippers. They buzz but it will not hurt.

Kari will brush the hair off
my neck.

My haircut is done!

I get to have a prize!
